Seafood Sams Sandwich - Dishwasher

HOST INFORMATION

Company Description:

In the summer of 1974, Sam's opened its first restaurant in a tiny, former laundromat with six employees, ancient equipment, and no seating. But Sam had a dream and a secret recipe: Offer the very best local seafood available and serve it with friendly, fast service at reasonable prices. Since 1974 Seafood Sam's has been serving families just what they wanted. And now - with our menu expanded to over 100 items, friendly value pricing, large helpings, freshest ingredients and beautiful locations - we offer even more of what you want. Restaurant is very busy. Customers come and order at a counter, seat themselves and pick up their food from a kitchen window. Opening shifts start at 9/10am and closing shifts work until around 9pm. Cape Cod, a hook-shaped peninsula of the U.S. state of Massachusetts, is a popular summertime destination. It's the site of quaint villages, seafood shacks, lighthouses, ponds and bay and ocean beaches. In the large town of Hyannis, the John F. Kennedy Museum is the first stop on the Kennedy Legacy Trail through downtown, where ferries depart to the resort islands of Martha's Vineyard and Nantucket. The Cape itself has a lot of history and there are ample beaches which attract heavy tourism during the summer months. Cape Cod towns is rural with small towns. For nature enthusiasts, Cape Cod is a great place to spend a quiet summer.
