

Xanterra Grand Canyon South Rim - Food and Beverage Cashier

HOST INFORMATION

Company Description:

Recognized as one of the great seven natural wonders of the world, the sheer majesty and beauty of the Grand Canyon is unsurpassed. It is truly breathtaking. Students will live and work at the South Rim of Grand Canyon. This is a great area for hiking (with over 100+ miles of premier hiking trails), bird watching and wildlife viewing, star gazing, and more.

In addition to the natural geological beauty, there are museums, galleries, and historical sites to explore in the area. Students will have access to the community recreation center which offers activities, sports leagues, bus trips, and more. This is a great location to meet new people and explore a unique area of the United States.

This is an incredibly beautiful area - one of America's finest natural wonders. Living here is beautiful and fun, but please remember this is NOT a city lifestyle! It is hot in the summer, and busy with people from all around the world vacationing here. Because of the high altitude of the area, some people may find it takes some time for their body to adjust to the climate. You will not be bored here, with all the hiking, adventuring, socializing, and exploring that the area has to offer.

If you get up early enough, you can see the sunrise over the Grand Canyon, or if you're daring, take a helicopter ride to some of the most remote places in the Canyon. Think about taking hiking trips, geological tour, photo excursions, or find the best route for your ambitions.
